Knit, crochet, felt, go all arty

Call for creatives to donate artworks. Please get creative: knit, crochet, felt, go all arty. Whatever you like, to make a Beanie someone would love to wear. Adult or child, brain tumours do not discriminate.

(No baby beanies please)

Get creating

For anyone who has experienced a sore head of any kind, you'll remember that you reached for a beanie. They are warm, soft, give you a sense of pride and most importantly, comfort.

For that reason, Brain Tumour Support NZ is in the Beanie business. We need your help. Please. We don't want to be giving out something that other people have already, we want every Beanie to be unique.

'Call for creatives to donate artworks'

So every Beanie is handmade, created with love, by someone who cares, for someone who will be very grateful.

This is a fundraising campaign for us and we are so thankful for all creative donations.

Donated Beanies will be for sale via our website and become our focal merchandise, as well as some being given in the Brain Box care packages that we gift to people newly diagnosed with a

brain tumour. Each Beanie will have a Brainy Beanie tag sewn onto it, just to show how special it is.

Please get creative: knit, crochet, felt, go all arty. Whatever you like, to make a Beanie someone would love to wear. Adult or child, large or small, brain tumours do not discriminate.

Hightop, cuffless, brimmer, trawler, hipster, pompom, cuffed... are all words associated with Beanies and therefore too hard for us to determine what you will create or set a pattern.

There will be a Brainy Beanies free exhibition of all of the Beanies made and gifted to us. This is an exciting event inviting the community and visual arts sector to donate creative Beanies to be sold at exhibition to raise valuable funds.

Exhibition Venue: The Meteor - a community art space in Hamilton

Opening: Wednesday 3 May 2023 - Evening for creators and Brain Tumour Support NZ Friends.

Dates: The exhibition will be open to the public from the 3 - 7 May 2023. People can come and view the Beanies, make a purchase and find out more about Brain Tumour Support NZ.

May is the international month for Brain Tumour Awareness and it gives us time to get creative!

We want to say thank you! So please provide your name and contact details with the beanie. All beanies must be received by 28 April for the exhibition.
